Class 1 – Signatory to collective bargaining agreements through Master Builders – Dues are \$500

As a contractor member provides the Master Builders Association of Wisconsin the following bargaining authority (Section 1.5 By-laws)

“By becoming and remaining a Class 1 Active Member of the Association, each Class 1 Active Member thereby authorizes the Association (1) to conduct, on his own or on its behalf, the collective bargaining negotiations (i) with those several labor organizations representing some or all of his or its employees with which labor organizations the Association (or its agents) normally bargains collectively and (ii) with such other labor organizations representing some of the employees of such Class 1 Active Member as to which the board of Directors of the Association expressly determines to represent such Class 1 Active Member in collective bargaining as to such of his or its employees, (2) to enter into appropriate labor agreements with such labor organizations for and on behalf of such member and (3) to adjust and settle grievances. Such authority may be transferred, delegated or assigned by the Association, in whole or in part, to other associations, group or committees.”

Note: Class 1 Active Members are currently signatory to the Carpenters, Bricklayers, Cement Masons and Laborers agreements.

Class 2 – Contractors not Signatory to ACEA Agreements - Dues are \$400

Class 3 – Associates and Supplies – Dues are \$300
